

THE RIGHT PARTNERSHIP COULD BRING YOU THE RIGHT TOOLS FOR SUCCESS

Kaplan Continuing Education (KCE), is dedicated to providing quality and accessible employee training and development to today's busy professionals. KCE offers certificate programs in key areas of business and finance, information technology, health care, and fire and EMS training that could help you build a stronger, more knowledgeable team.

The KCE Corporate Alliance Program is committed to helping organizations pursue superior results through corporate career training. Our customized professional development solutions are designed to supplement your business by helping students develop emerging and in-demand skills.

As a KCE Corporate Partner, your organization could benefit from the following:

- Corporate tuition rate
- Dedicated student/employee Admissions Advisors
- Corporate account representatives to help ensure student satisfaction
- Student/employee support through your organization's approved communication methods

KAPLAN CONTINUING
EDUCATION

COURSEWORK DESIGNED TO HELP KEEP YOUR COMPANY ON TRACK

KCE's business and finance, information technology, and health care certificate programs consist of interactive coursework, offering students the flexibility to study around their busy schedules. These programs can be completed in 12 months or less.

Our fire and EMS training programs offer convenient, cost-efficient online courses designed to provide firefighters and EMS personnel with current continuing education. First-responder, EMT, paramedic, and firefighter continuing education features actual case studies as well as fast-paced, high-energy videos, and comprehensive online learning.

Business and Finance Programs

KCE's business and finance certificate programs are designed to help your employees increase client acquisition, retention, and revenue. Study how to better assess risk and manage issues of globalization, emerging technologies, and regulatory requirements.

- Business Management Certificate
- Certificate in Financial Planning
